

Article A: Rates

Sec. 9-1-1 City of Onalaska Water Rate Structure.

The City of Onalaska water utility provides water as a public utility under Chapter 196, Wis. Stats., and the rates of the utility are developed and ordered by the Wisconsin Public Service Commission as authorized under Sections 196.03, 196.20, and 196.37, Wis. Stats., and any amendments or modifications thereto. The rates of the Onalaska water utility in effect at any time are the authorized rates on file with the Public Service Commission and copies of these rates are available in the Office of the Clerk of the City of Onalaska. Customers of the Onalaska water utility shall be informed of new rates as they become effective as required by the Public Service Commission.
